VIXEN

*Due to the layout and operation of our kitchens we do not have specific allergen free zones and it is therefore not possible to fully guarantee separation of allergens.*

*We cannot guarantee your order is 100% free from any allergenic ingredient.*

Vixen takes all care in creation of the dishes and drinks that offers, however, since the preparations come from the kitchen and they are manipulated by the operators themselves, for your protection we inform you that all dishes may contain traces of:

cereals containing gluten (wheat, rye, barley, oats, spelt, Khorasan wheat), milk, eggs, nuts (almonds, hazelnuts, walnuts, cashew nuts, pecans nut, Brazil nuts, pistachios, macadamia nuts or Queensland nuts), crustaceans, molluscs, fish, peanuts, sulphites, soya, lupin, celery, mustard, sesame seeds and their derivate
